Chairity called the meeting to order at 6:40 PM. Nancy Sink first motioned to approve the March meeting minutes & Ms. Lindsay seconded & all approved.

TREASURER'S REPORT

Lisa reported that the Spring Fun Fair earned \$2,011.00. Ms. Mountcastle asked about the 4th grade field trip account & why there was a deduction. Lisa will look into that. Also, noted, was the coffee budget, which has exceeded budget. Lisa mentioned that the teachers should have their receipts turned in by the last day of school. A motion to submit the budget for audit was approved.

NEW BUSINESS

Chairity asked that parents speak at the April 18th B.O.S. meeting in support of Dr. Cox's budget.

The slate for the nomination for next years PTO Board, will be postponed until the May meeting.

The Budget Committee needs to start preparing the budget for the May PTO meeting.

Annette reported that the Art/Spring fundraiser went out today. The kids get to keep the magnet & there are a couple of different items to order this year.

OLD BUSINESS

Papa John's earned \$135 last month. Also, BOGO free book fair is coming up. We also need to decide if we want to do the Spring book fair next year, because Scholastic is only offering 2 weeks at a certain time, which happens to be during SOL week. The book fair committee will check the dates & will report back. Volunteers are also needed to help set up on 4/18.

The meeting was adjourned at 7:05 PM.
