Subject: Meal Increase due to Reauthorization Act for
2014/2015
Date: June 9, 2014

The current reimbursement rate for the free category is \$2.99. The new requirement states the minimum rate of increase has to be .10 cents or the weighted average of \$2.45 for 2014/2015.

Current Prices for Elementary are	\$ 2.20
Current Prices for Secondary are	\$ 2.50
New Price for Elementary	\$ 2.30
New Price for Secondary	\$ 2.60

Recommendation for a .10 cents meal increase for K-5 and Secondary schools starting next school year. With these two new prices averaged, we will be in compliance with the weighted average for 2014/2015 school year.
