

MEMBERSHIP APPLICATION FOR THE SCHOOL YEAR 2014-15

Mail completed application with applicable fees to VHSL, 1642 State Farm Blvd., Charlottesville, VA 22911

Please complete this application and return it with your remittance to the League office by **August 1, 2014**. If your school division pays your membership fee, complete the application and forward it to your school division. Ask them to include your completed application with their payment, and send both the application and payment to the League office by **August 1, 2014**. Partial payment of your membership fee is permitted provided you have received written approval for such payment from the Executive Director, and the complete payment is made on or before September 15, 2014 (9-2-2, VHSL Handbook).

Your 2014-15 membership fee is \$700 plus \$30 for each varsity activity marked below that your school sponsored during the 2013-14 school year. Similarly, the insurance premium is also based on your school's total number of participants from the 2013-14 school year. The insurance formula used in prior years of counting only athletes and cheerleaders, with each person counted just once regardless of the number of sports he/she plays, remains in effect. If you are aware that a listed varsity activity will be added to or deleted from those sponsored during the 2013-14 school year, you may incorporate those changes into this application. For any new sports, the additional insurance premium due should be based on the number of participants anticipated to be on the team. **This completed application serves as your invoice. No further billings will be sent by the VHSL.**
