Subject: Student Achievement Goals for 2014-15 – Standard Seven

The Culpeper County Public Schools Strategic Six-Year Plan contains ten student achievement goals. Progress is reported to the Culpeper County School Board annually at the fall retreat. Each goal is designed to measure a different aspect of student achievement including, but not limited to, beginning reading, Career and Technical industry credentials, and Advanced Placement scores.

For the purpose of completing Standard Seven for the Superintendent's Annual Evaluation instrument, the following goals are submitted for consideration:

Reach or exceed the 2014-15 Federal Annual Measureable Objectives in English

All Students	72% passing
Group 1	65% passing
Group 2	64% passing
Group 3	66% passing

Reach or exceed the 2014-15 Federal Annual Measureable Objectives in Math

All students	68% passing
Group 1	63% passing
Group 2	62% passing
Group 3	65 % passing

This data will not be available until August, 2015.
