RE: *AP World History Textbook Adoption*

Area of Responsibility/Oversight: Curriculum and Instruction

Background Information:

On March 27th the board approved a transition, based on the recommendation from teachers and high school administration, from AP European History to AP World History. This purchase will supply the textbooks for AP World History. *Note- Teachers of AP Euro were recommending replacement of the book if we maintained the course so, either way, new books were going to be purchased. Textbooks were reviewed by teachers, parents, students, community members and administrators. They were on public review in all of the schools.

Current Considerations:

Recommended publisher: McGraw Hill
Recommended text: AP Traditions & Encounters with 6-year bundle of online resources
The estimated cost for full adoption is \$20,034.00.
